

HASLEMERE FRINGE FESTIVAL 2022 LINEUP

WELCOME

Welcome to the 2022 edition of the Haslemere Fringe Festival. We're delighted to offer you three days of entertainment, even bigger and better than our previous events. It's taken more than two years to get the event off the ground, and we'd like to thank all our sponsors, artists, volunteers and you, our festival goers, for making it possible. Have a great time!

NOTES

- Artists and stage timings are correct at the time of going to press. As with all live arts festivals, the line-up may change due to circumstances beyond the Fringe Festival organiser's control. This is particularly the case as covid is still with us, and the safety of our audience remains paramount.
- No refunds will be offered should the line-up be altered from the one now displayed below, but we will always endeavour to ensure the line-up is full with the same quality artists as originally advertised.
- Parents should supervise their children at all times during the Haslemere Fringe Festival. Some of the content at the Fringe Festival, in particular the Comedy, may be unsuitable for under 18's.
- Haslemere Fringe Festival is entirely staffed by volunteers including our entrance, stewards and bars, and our stall holders are selected professionals with excellent reputations. The bars can become particularly busy later in the day. In the spirit of our community family friendly festival, please remain courteous and patient with everyone that helps out and serves you and at the event.
- See our [Frequently Asked Questions](#) page on our website for further details.

PARTNER CHARITIES

As a not for profit event we think it's essential to give back to our community. Our 2022 Main Partner Charity is local hospice care charity Phyllis Tuckwell. Little Lumpy in partnership with the Haslewey Community Centre is our second Partner Charity.
