

# HASLEMERE FRINGE FESTIVAL 2024 LINEUP

# WELCOME

Welcome to the 2024 edition of the Haslemere Fringe Festival. We're delighted to offer you three days of entertainment, even bigger and better than our previous events. It's taken more than two years to get the event off the ground, and we'd like to thank all our sponsors, artists, volunteers and you, our festival goers, for making it possible. Have a great time!

## IMPORTANT NOTES

- Artists and stage timings are correct at the time of going to press. As with all live arts festivals, the line-up may change due to circumstances beyond the Fringe Festival organiser's control.
- No refunds will be offered should the line-up be altered from the one now displayed below, but we will always endeavour to ensure the line-up is full with the same quality artists as originally advertised.
- Parents should supervise their children at all times during the Haslemere Fringe Festival. There will be strictly no admission or re-admission to the site for under 17's (Youth and Child ticket holders) without at least one accompanying adult.
- Some of the content at the Fringe Festival, in particular the Comedy, may be unsuitable for under 18's.
- Haslemere Fringe Festival is entirely staffed by volunteers including our entrance, stewards and bars, and our stall holders are selected professionals with excellent reputations. The bars can become particularly busy later in the day. In the spirit of our community family friendly festival, please remain courteous and patient with everyone that helps out and serves you and at the event.
- See our [Frequently Asked Questions](#) page on our website for further details.

FESTIVAL**

# PARTNER CHARITIES

As a not for profit event we think it's essential to give back to our community. In 2024, we are supporting three partner charities, two local and one National. These are:

The Hunter Centre – Supporting people living with Dementia

Talk to Me – A local mental health counselling service run out of Haslewey Community Centre.

Mind – A national mental health charity, working to make sure nobody has to face a mental health problem alone.

[Find out more about our 2024 Partner Charities by clicking here.](#)

## SPONSORS

The Haslemere Fringe Festival is a non-for-profit event run entirely by volunteers, and funded with the help of generous donations in cash or in kind from local businesses. Our Principal Sponsor for 2024 is Couchman Hanson Solicitors.

### WE'D LIKE TO THANK ALL OUR SPONSORS.
